

Dear Parents,

As we prepare for the 2026–2027 academic year, let's remember classroom supplies are our essentials! This year I will be purchasing all beginning of the year classroom supplies. It will ensure that every child has the materials needed right from the start and even throughout the year, while eliminating the need for families to purchase individual supply items.

To help cover the cost of supplies and resources, each student is asked to contribute:

- **\$50 school supply fee, due in September 2026**
- **\$10 per month, beginning in October 2026 until June 2026**

The school supply fee will cover materials and supplies for all subjects including English/Language Arts, Math, Science, Social Studies, Arabic, Quran, Islamic Studies, even art projects, classroom resources, and other educational materials used throughout the school year. Jazakullah Khair for your cooperation.
