

Dear Parents,
Assalamu Alaikum,

As we prepare for the 2026–2027 school year, I would like to inform you that I will be purchasing all classroom supplies for the students. This will ensure that every child has the materials needed throughout the year and eliminate the need for families to purchase individual supply items.

To help cover the cost of supplies, each student is asked to contribute:

- \$50 school supply fee, due in September 2026
- \$10 per month, beginning in October 2026

The school supply fee will cover materials and supplies for all subjects and classroom activities, including English Language Arts, Math, Science, Social Studies, Arabic, Quran, Islamic Studies, art projects, classroom resources, and other educational materials used throughout the school year.

If you have any questions, please feel free to contact me.
