

Dear Parents,

 **Summer is here!** While school may be out, let's not forget all the wonderful reading we did throughout the year. Summer is the perfect time to continue building strong reading habits that will help prepare students for a successful school year ahead.

 Based on my experience teaching and working with students, I have seen that children who read over the summer return to school better prepared, more confident, and ready to learn. To support your child's continued growth, I have prepared a list of recommended summer reading books for you and your child to enjoy together.

 IXL assignments will be assigned individually based on your child's level to help strengthen skills and encourage continued progress throughout the summer. Math practice will also be assigned to help students maintain and build their skills.

 I look forward to hearing about all the books your child explored during the break.

Have a safe, relaxing, and wonderful summer!

Sr. Wafaa 
2nd Grade Teacher

RECOMMENDED SUMMER READING BOOKS
